The meeting was held at the Blue Lake Township Hall

Motion was made, 2nded and approved for minutes of previous meeting as corrected.

Balance statement in Cemetery Account was discussed. Total remains at \$13,340.48

It was decided that the Cemetery Committee would remain active even though there are not many activities going on at the present time, however, we will not meet every month. If the need arises, a special meeting will be called.

The fence at Ware Cemetery will be finished across the front of the cemetery. The cement marking posts will be moved to the back corners of the cemetery to mark the outside perimeter of the property. This will be done according to the recent survey markers.

Cemetery future within the township was discussed. The need for a bigger (wider) mower was noted because of the additional property that needs to be mowed and kept up.

The next meeting will be January 26, 2012 at 7:00 PM

Bob Dykema adjourned the meeting at 8:00 PM.
