

Blue Lake Township Recreation Committee

Meeting Notes October 15, 2012

Meeting opened at 7 PM

Members present: Tim Henry, Jim Schlichting, Larry Lawie, Melonie Arbogast

Members absent: Barb Grob, Steve Albert

Jackie Hunt has moved out of the Township and has tendered her resignation

Discussion:

Review of the revised survey letter resulted in the following: keep the original letter with exception of the third paragraph. Keep original date of January and add last line on 1st paragraph. Reinstate the original list but with 2 columns per sheet.

Jim clarified what the grant through Starborne Productions LLC will include: Starborne Productions LLC has offered a grant to the Recreation Committee. The grant is intended to cover the costs of the printing, mailing and response postage expenses for the proposed community survey. The grant will be offered for Township Board acceptance as well as approval of the final draft of the survey letter.

Questions:

When should the Township Board look into getting a boundary and timber survey?

Would the National Guard be available to help with surveys and land clearing?

Is Brown's Pond going to be classified "recreational" or will it remain as is?

Is there community value in the 300 acres and if so, what is it?

In the mean time, what can be done to initially protect the property?

Information:

No new information was distributed.

Next meeting will be November 7, 2012 at 7 PM.

Meeting adjourned at 8:25 PM

Respectfully submitted (in the absence of the secretary)

Melonie L Arbogast
